百年经典
Hundred years classic

100 years

百年经典 彰显卓越

在挂车车轴生产行业, 很少有一家品牌能够历经百年, 建立起品质卓越、安全可靠的产品信誉, BPW就是其中极少的一员。

时光飞逝, BPW车轴已获得世界各国运输业人士的欢迎和喜爱, BPW这个名字已经与挂车及运输行业紧紧联系在一起。BPW一直努力使BPW这个品牌历久弥新, 从而奠定了BPW在世界同行中的领跑者地位。

在众多车轴品牌中, BPW优越的品牌效应, 让用户的选择变得如此轻松和简单。

Hundred years classic remarkable excellence

In the trailer axle manufacturing industry, very few can survive for more than a century and establish a standing quality credit in its product with excellence, safety and reliability. However, BPW is one.

Time is fleeting, BPW axle has been well adored and accepted by all levels in the world of transportation. The brand-name, BPW, has been well known and closely interconnected with trailer and transportation industries. BPW has been sparing no efforts to bring endless new innovations into practice, consequently BPW has become a pack-maker in the trade of trailer axle industry all over the world.

Among the numerous axle brand-names, the super brand effect of BPW makes it easy and simple for the end-users to choose what they want.

BPW(梅州)车轴有限公司
BPW MEIZHOU AXLE CO., LTD.

1898

BPW公司在威尔市正式成立，起名为：贝尔吉斯专利车轴厂。
BPW is founded as Bergische Patentachsenfabrik GmbH in Wiehl.

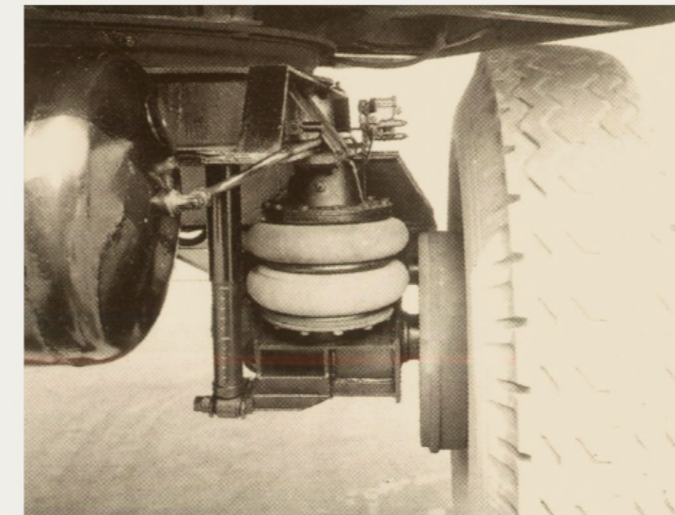

1923

BPW公司与SKF公司联合推出的一款由两家公司共同研发、专为马车及挂车设计的圆柱滚子轴承车轴，颠覆了当时的车辆构造。
Together with SKF-Norma GmbH, BPW presents a jointly developed cylindrical roller bearing axle for horse-drawn vehicles and trailers which revolutionizes vehicle construction.

1937

BPW转为商业股份合伙制，并在世界各地逐步建立起BPW销售机构，员工首次超过1000人，为BPW做好做强奠定了坚实基础。
BPW is converted into a limited commercial partnership. For the first time BPW employs more than 1,000 people. A new sales office is established in overseas, this is a steady foundation for BPW's future development and expansion.

1959

BPW首次推出一款挂车用分层式气囊空气悬架车轴，开创了空气悬架应用于货物运输的先河。
BPW presents an air suspension axle with tubular air bag for truck trailers for the first time.

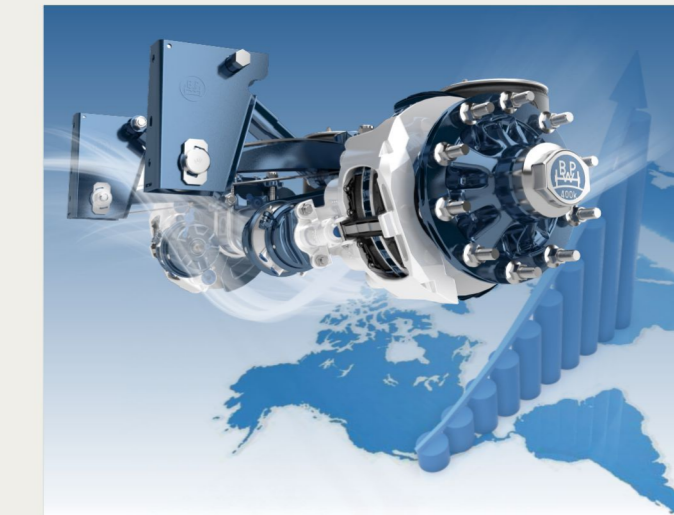

1989

建立了BPW布鲁切姆试验中心，模拟车辆运行时车轴的各种负载和制动状况进行试验，便于研发提高产品质量。
In order to improve quality assurance, the test center in Bruchermühle puts a hydropulse plant on stream which can stimulate every conceivable load on axles or axle bogies, enabling developing and improving of product.

1995

BPW在中国成立了BPW(梅州)车轴有限公司。
BPW Meizhou Axle Co., Ltd. is established in Meizhou, P.R.China.

2009

BPW ECO 挂车盘式制动车轴投放市场，在中国市场同步推出TSB系列盘式制动车轴。
2009 BPW ECO disc brake for trailer was launched in the market, and TSB series disc brake axle was launched in the Chinese market simultaneously.

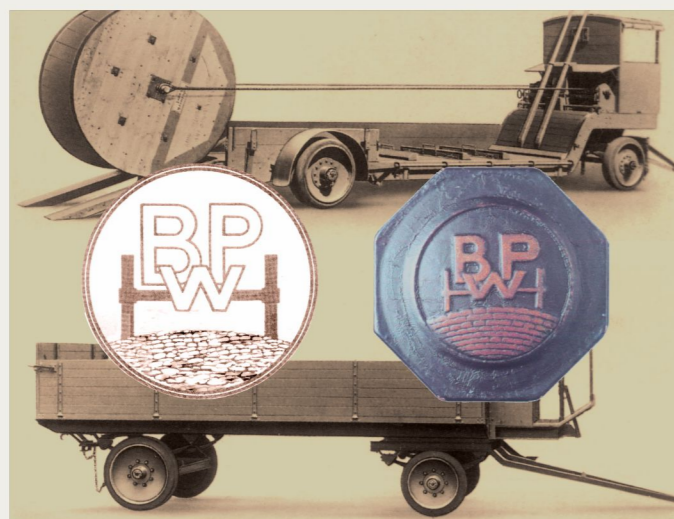

2015

BPW迈进智能化、绿色能源驱动的新纪元。欧洲盘式挂车比例约65%，BPW挂车盘式车轴交付超100万套。
2015 BPW steps into a new era of intellectualization and green energy drive. The proportion of European disc brake axle trailers about 65%, the BPW disc brake axle delivery has exceeded 1 million sets.

1914

BPW已经生产了313000根铁制车轴，装配于四轮大马车、拖运马车及农用车。
Until 1914, BPW had produced 313,000 axle stubs since the company was founded. All these axles were for four-wheeled vehicles, wagon and agriculture vehicles.

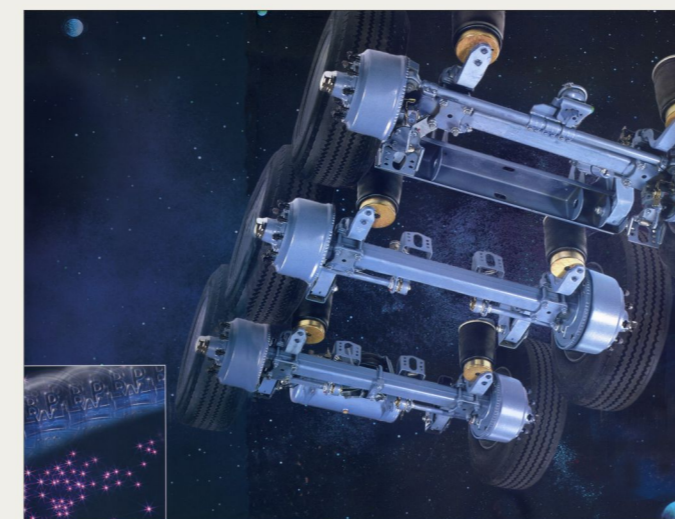

1929

BPW商标注册于1929年，由圆圈内含BPW三个字母以及在路面上飞驰着一根带有两个轮子的车轴组成，象征着BPW专注制造车轴，时至今日，BPW商标不断更新后仍在延续传奇和经典。
On 25 November 1929 BPW registers a new trademark. It shows the letters BPW in a circle with an axle and two wheels on a paved road. This logo is still used today in modified form.

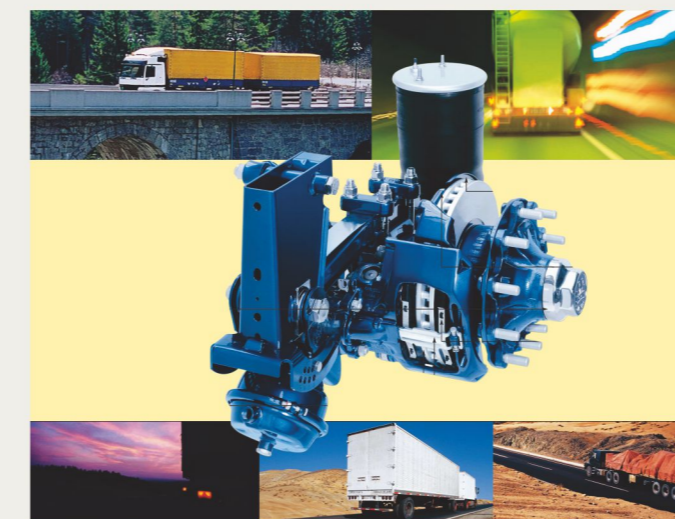

1954

生产制造轻型卡车驱动轴和挂车非驱动轴，后来停止驱动轴的生产。
专注于非驱动轴的生产制造，并成为挂车非驱动轴制造的领军者。
The production of driving axles for light-weight trucks and construction machinery is started up in the newly erected plant. After stopping producing driving axles, BPW specializes in non-driven axle producing and become a

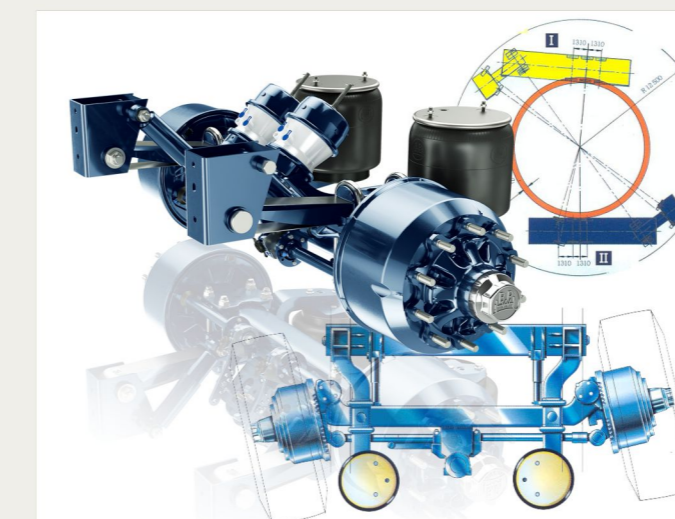

1982

空气悬架逐步取代传统的刚性悬架，成为挂车底盘悬架系统的标配。今天，欧洲地区98%的挂车都配备空气悬架。
Air suspension becomes standard in trailers. Today, ~98% of European trailers are equipped with air suspension.

1990

欧洲重型挂车、半挂车从1990年起使用盘式制动器，BPW盘式制动车轴开始投放市场。
In heavy-duty trailer / semitrailer application, disc brakes started in Europe since ~1990 (BPW axles with disc brakes).

2000

在中国市场投放SL系列空气悬架车轴和随动转向车轴。
Launch of SL series air suspension axles and LL self-steering axles in the Chinese market.

2010

在中国市场推出BPW 低平台圆轴空气悬架，并在快速物流、轿运车和前置轴车辆上广泛使用。
Launched BPW low-loader air suspension axle in Chinese market and widely used in express logistics, car-carrier and centre-axle vehicles.

2022

BPW在世界各地拥有50家子公司和合资公司，超过3200个服务网点遍布全球。
BPW has now 50 subsidiaries and joint-venture companies and over 3200 service centers or partners all over the world.
